The best thing to happen to a quad bike since one fell on Rik Mayall's head, mucky Mia gets down and dirty with the Quadzilla. Break-up wake-up

I've just got back with my girlfriend. We used to be a lot more boring in the bedroom.

But last night I undressed her and saw she was wearing sexy undies. I told her to keep them on, though I stripped off totally, and she cupped my balls and started wanking my prick. Then she got into the doggy position.

She looked so sexy, wagging her lace-clad arse, and so I got her knickers down and started frig her. She giggled – we weren't being half as serious as before, just having a bit of pissed-up fun.

There was a mirror at the

head of the bed, and she looked me in the eye, watching my face as I slipped my cock inside her. Then she ground back as I started thrusting in and out.

As she reached down to frig her clit, I couldn't resist asking was she sure

squeeze a hand down to touch her clit, and I realised she was cumming around my prick. That was it for me – I slammed in with quick short strokes then plunged in deep, so I was right close her as I came right up her.

The one thing we haven't

She watched my face as I slipped up

there'd been nobody else since we split up. Before, she'd just laid back and let me shag her, now she seemed to know a few tricks.

She called me a cheeky bastard and said no, but she had been playing with herself a lot, had got less uptight.

We were going at it so hard, me leaning all my weight into it, that I slowly pushed her down on the bed, until she was face down and I was fucking her sort of "backwards missionary". My crotch was spreading her cheeks, grinding up against her crack, then I slipped my hands under her to play with her tits and nipples as I gave it to her deep.

She'd managed to

try so far is anal, but whenever I've played with her arse, she seems to have liked it, so I doubt it'll be long before we give that a go, too. I hope so, anyway...

Cum yum

My hubby James and I love to strip naked and walk through the woods. I know that by the time we've found a quiet spot he'll be gagging to fuck me long and hard.

We'd arranged to go there one sunny afternoon when much to my annoyance James was called in to work. So I chucked a couple of my favourite dildos in my backpack and decided to go there myself for a couple of hours.

Finding a nice secluded grassy patch I stripped off, lay back and rubbed my humming dildo over and up my soaking pussy.

Then I realised I could hear people fucking. I'm a nosey cow so I searched them out – a couple in their late twenties (who I later found out were called Tony and Tina) going at it doggy-style,

He wedged his cock in the cleft of her arse and jizzed

their clothes strewn about the trees.

As her rammed his rod in her I slid my skirt up and fingered my sticky bald pussy against a tree. I heard voices but was soon too far gone to care. When I calmed down I realised they had spotted me. But they were happy to see it was just me, not a family.

So Tony slid himself back up Tina and carried on. I lay down in front of her and pushed my wet pussy in her face. Tina slurped merrily away at my cunt as well as fingering it.

Tony steamrollered her pussy for a bit longer before he pulled out, wedged his cock in the cleft of Tina's arse and shot a stream of jizz through the air, splattering both us girls.

Tina lay on top of me, rubbing Tony's jizz into my body while our tongues darted back and forth. Then she lowered her shaven pussy on to my face. I grabbed her arse

cheeks and licked out her sticky hot hole.

I was soon ready for cumming again. I slid under Tony and wrapped my lips round his shiny bell-end. I could taste cunt juice and cum on his shaft.

I licked and sucked him, grabbed his ball bag and soon he was hard again. Although I'm middle-aged my slit is still tight and I knew I was going to feel every inch of his weapon.

He got on his back and I got on top. I started pumping back and forth, speared on his big dick. I teased him with my nipple rings while he pumped me hard.

Tina squatted over Tony's face and kissed me as I came in body-quivering waves of pleasure. Fanny juice poured out of me and all over Tony's ball sack.

I squeezed my pussy muscles and felt Tony's pork sword erupt, gushing jizz up my slit.

I was still hot for cock so some more wanking got him going again. I deep-throated

his cock and wanked him till I could feel pulses rising from the base of his shaft up to his bell end from which I got a face full of cum for my efforts. What a fantastic fuck!

When James got home I

told him what had happened. He was pissed off he missed the fun but I've since made it up to him in lots of ways. (Thanks for your yummy cummy, honey!)

DONNA'S KEBAB!

Under the names Donna Ambrose and Danica Collins, cover girl Donna has been wowing one-handed readers, web-watchers and me for 27 years. Talk about a legacy. LEXI

REAL WIFE SEX

Wife Tara and her lesbo fuck-buddy both spill the beans on an unconventional love...

I'm in my mid twenties and am happily married – I have been for five years now. My husband and I don't have any kids and get off on meeting up with other couples for sex. We don't go to swingers' clubs or go out dogging, as strangers don't do it for us.

We're more into sex with friends, and there are five or six other couples within an hour's drive that are part of our extended group.

Now, one thing that I had never done was to make love with another woman as, although my husband and I play with others, it's always been a straight swap with another couple. When we first started getting into swapping I wasn't interested in anything lesbian, but as time has gone by I've become more and more curious. I talked it over with my husband

and we decided that the best way forward was for me to meet up with a more experienced woman. Just the two of us without my hubby.

He said that just the thought of me with another woman for the first time would get him off.

I flicked through the dating sections in magazines and on web sites looking for a woman who might suit my

*Tara & Sue,
Manchester*

needs, and was rewarded when I came across an ad for a woman named Sue, who lived reasonably nearby and about my age. As I said, strangers aren't my thing usually, but the anticipation of contacting and meeting up with her was keeping me constantly moist!

I contacted her via a PO box and she was interested in meeting up soon, so I wrote

back and set up a date.

When the night arrived I set out to meet Sue – I was so excited already, and I reckon my husband was wanking himself off on the thought of me and Sue as soon as I was out of the door. I went into the hotel bar where we were to meet. We had a room booked for if we got on and wanted to do more than just meet up – which, let's face it, was the plan all along!

I recognised Sue straight away. She was dressed in a way that was more elegant than overtly sexy, but I still thought she looked great. For the first time since arranging the meeting I had a few butterflies – was I really ready for a lesbian encounter?

Once we got chatting those butterflies went away. We got on like a house on fire and were soon heading to our room!

Once the door was closed behind us I stood there for a few seconds, unable to do anything. Sue took control of the situation, kissing me gently on the lips. I kissed her back, and as I did she began to unbutton my top. A thrill ran through me at that moment and I suddenly knew that this was going to be great!

I let her take my top off and release my tits from my bra. She cupped one of them and licked my nipple. It felt so good – my pussy was so wet just from anticipating that tongue between my legs. I fumbled with Sue's clothes, while she helped me out of the rest of mine until we were both naked. Her skin felt so soft against mine – much softer than any man's I'd ever felt. She slid her hand between my legs and discovered my wet cunt, then pushed me gently back onto

the bed, where I lay back and parted my legs for her.

I shuddered with excitement when I felt her soft cheek brush against my thigh. Then she tasted me, and as she licked around my clit and began to finger my soaking pussy I wondered what she

She knew just how to touch me

would taste like.

Sue was in control for now. I know it's a cliché, but she knew exactly how and where to lick me! Soon she was finger-fucking me with several fingers, and her tongue was doing things I couldn't have imagined before. While she was licking

and using one hand to fuck my cunt, she caressed my body with the other. She knew just how to touch me to increase the intensity of my pleasure. By now I was breathing heavily and well on my way to cumming.

When I did cum I shouted out – I couldn't help myself. It was one of the most intense orgasms I've ever had! When it passed I lay there for a minute in Sue's arms, gathering my thoughts and preparing to return the favour.

Sue was already wet, so I took my first taste of another woman's cunt! It was amazing! I was soon lapping and slurping at her pussy – and I paid special attention to caressing her as she had me. It wasn't long before the first woman whose pussy I'd ever licked was cumming on my tongue!

The Ed made such a noise this morning that co-workers thought he had his very own one-man band going on in the gents. Turned out he was "checking out" these pics of Michelle, which entailed knocking the air freshener off the cistern, turning the hand dryer on and off and grunting like Bob Dylan. Take yer prick

We recently signed up to a swingers site, hoping to find a nice lady to join us. Within a week we got chatting to a 31-year-old called Amy.

We arranged to meet for the evening in a hotel. I made sure I wore a tiny skirt, stock-

having dirty visions of what was going to happen.

Soon we had polished of a couple of bottles of wine and we were all getting a bit tipsy and started getting a bit touchy-feely with each other. Everyone wanted Rob to stay.

So he sat forward and slipped his hand up my skirt and stroked my sopping

thick cocks into our mouths.

We were swapping big pricks as we went, squeezing as much as we could down our throats. My husband started to moan a bit louder so I moved over to his cock and told him to cum over both of us. He stood up and shot a thick load of warm spunk across both mine and Amy's face.

We kissed and licked spunk off each other while Rob finished himself off with his hand. He stood up and fired a even bigger load over us. We were absolutely covered in hot sticky spunk and had to spend the next five minutes licking each other clean.

Me and Amy decided it was time for them to sit back and watch us and get ready for more. Amy laid me down and

licked every inch of my body. She sucked on my salty-tasting clit till I came again and again.

She lifted up my legs so my tight little arsehole was on show and told me she wasn't going to stop licking it till I came.

That didn't take long – her tongue was lapping at my puckered arsehole when I let out the loudest scream of delight ever.

I was in a right mess – I couldn't move my legs!

Then it was my turn. This was the first time I'd ever

She squirmed and squirted her cum in hubby's mouth

ings and no knickers. Just how the hubby likes me.

We got drinks sent up to the room and I rang Amy to tell her our room number. After about 15 minutes of waiting the door knocked. When I answered it I was stunned to see her with another bloke.

Amy said she was sorry but she didn't want to meet two strangers on her own. Rob would stay for a bit and have a few drinks with us then leave. We all got on very well and it wasn't long before I was getting very damp and

pussy while Amy started kissing my husband.

Then Rob knelt on the floor and pulled me towards him and started lapping up all my sweet tasting juices. As I looked over, my husband was doing the same to Amy. It didn't take long for her to cum – she squirmed about on the bed and let out a huge moan as she squirted her cum into my husbands mouth.

After another half hour or so of this me and Amy said it was their turn so we laid them down and took their

tasted a pussy and God did I love it. I must have been down there for ages licking her shaven wet pussy.

When she first came it squirted everywhere. She was a real heavy cummer which got me very excited. After I'd given her arsehole a good time (rude not to) we looked at the men – they had the biggest-ever grins on their faces.

We'd almost forgotten they were there. But now we said we were in need of some huge cock, got on our hands and knees and told them to take their pick.

Rob jumped straight on to me, telling me to brace myself for a good fucking.

They spent the next hour banging into us, swapping

from hole to hole and girl to girl. When Rob slid his huge cock into my ass it didn't seem to stop – he was so big!

He just rammed it in harder and faster with his huge balls smacking on my soaking pussy. My husband was giving Amy the same treatment. We both just kept cumming and cumming.

When the men were ready to cum, Amy asked my husband to shoot his cream over her arsehole and asked if I'd suck it up so I got Rob to do the same.

We were squatting over each others faces, dripping cum into each other's mouths. This went on all night – the guys were struggling towards the end. Ha ha – light weights! The four of us have stayed friends and there will be a lot more stories to come.

Sam, Northants.

Party pack

These are the pics of me and my mate at a party last month. Two of the dirty boys there, Gareth and Mac, wanted their photo taken with me so we decided to take some naked pics upstairs.

They both had massive erections when they undressed, and Sian and me couldn't help brushing them

stripped off and got on the bed, squeezing my tits and thumbing my nipples really gently, but enough so my clit started stiffening too while his dick was sucked by Sian.

Now Gareth was fingering my pussy, slipping them in deeper as Mac started sucking on my nips. Gareth asked did I want to fuck now, and the second I moaned a yes, his prick slid in me.

Mac moved into a sort of

It wasn't long before he came, spunking up my pussy. Then we decided we'd better go downstairs and find some

drinks! I haven't seen either guy since then, but every time I think of what we did, I've got these pics to frig off over!

I've also kept quiet about it to my mates, but thought I'd write to you instead!

with our hands as we posed.

Gareth grabbed me in a clinch after the flash had gone off for the final time, naked body and boner pressing up against me. Next thing, we were on the bed, and we didn't hang around.

His hands were all over my tits and arse, then they squeezed and massaged my pussy. I grabbed his dick and started to wank him, then rolled on my back so he could dry-fuck me through my panties.

It was such a massive pussy tease, feeling his prick rub up against it – Mac and Sian were at it on the bed next to us.

I lay on my side, Gareth spooning me with my arse up against his crotch. Mac

sixty-nine, giving me a faceful of his thick, rock-hard prick. It was all dewy at the tip and I lapped this up, then licked around the crown of it. Then I sucked it into my mouth, hands toying with his balls.

He didn't suck me back, he just fingered my clit, dick twitching as he watched Gareth's cock bang in and out of my hole. It was all a bit drunken and fumbling, but all three of them were doing enough to get me cumming.

As my pussy started to orgasm, Gareth rammed me harder. Mac kept up the pressure on my clit, groaning as I sucked even deeper and harder. I think I caught him off guard – next thing I knew, he was groaning and blowing his wad in my mouth. He rolled

At 46 years old (no, that's not a typo) we think Donna looks better than most of the impressionable 18-year-olds we've had our wicked way with. But it's not like she's lived her life in a tank of Oil of Ulay drinking green tea either. No, stunningly-stacked Donna's lived it up with the best of them, shagging her way through three decades worth of boob-loving men and looking for more bonks in the next three. Kinky Kelly
(vol 30 no 7)
has a pervy
penchant for
pensioners,
the older the
better...

DEAR ESCORT,
We made contact with an 82-year-old Yorkshireman called Jimmy. But he never turned up for our meeting and we were stuck at a B&B in York.

On the plus side, it had a well-stocked bar and didn't charge over the odds.

That night we were served by a 75-year-old gent called Albert who looked after the place when the owner was out. He was glad of our company and we bought a drink at the bar.

He went out back to fetch his and when he was gone I asked Kelly if she would fuck him. She said she'd love to. When Albert came back Kelly spilt a drink over herself and came back changed into a thigh-length dress and stilettos.

Albert couldn't keep his eyes off her cleavage and apologised. "You are very sexy and it's hard not to look."

"That's all right," said Kelly. I laughed and said, "You might have seen her naked if you'd wanted."

Albert looked

confused. "What do you mean?"

"Kelly appeared in *Escort* magazine. We've got a copy upstairs if you wanted to see it."

So we took Albert up to our room where he read the story and looked at the pics. They clearly gave him a hard-on.

Kelly placed her hand on his crotch and asked him if he would like to see her for

wanked Albert off, streams of spunk spraying all over her face.

Kelly knelt in front of us and soon brought us both back to life. Albert sank his cock into my wife's pussy and I stuck my cock in her mouth.

After a good hard fuck, Albert pulled out and exploded his spunk all over Kelly's pert arse. I followed shortly and Kelly drank

real. Albert looked at me and I nodded.

Kelly stood up and took off her dress. Standing naked in a pair of stilettos she invited Albert to join her. He stripped and Kelly began to wank his cock.

She pushed Albert on to the bed and started to suck him while I stripped and got behind Kelly. I filled her soaking wet pussy with cock and I came straight away at the sight of her sucking off another old man.

Albert soon began groaning and Kelly pulled her mouth away and

every last drop of my seed.

I flipped Kelly onto her back and Albert ploughed his tongue straight into Kelly's spunky pussy while she wanked me.

We fucked her till 11pm then Albert revealed he had a spanking fetish. Kelly expertly spanked his arse while he wanked off one final time.

Albert said he had not believed the letters in magazines like *Escort* were true. We told him he could see about that when you print this letter!

REAL WIFE SEX

Tara & Sue's story continued from page 19

I thought that might be it for the night, but Sue got a strap-on out of her bag and proceeded to put it on, slicking the length with her own pussy juices! She rammed it into me as she mounted me doggy-style and told me what a fucking whore I was, cheating on my husband with a lezzie slut! That just excited me more, and I pushed back into her thrusts until I was cumming again!

We swapped the strap-on a couple of more times that night, and when I eventually made it home to my husband he fucked my sore hole some more!

Tara, Manchester.

My name's Sue, bisexual and currently in a lesbian relationship – and I have to say that my fuck-buddy girlfriend Tara is the best fuck I've had, male or female.

Recently we went on holiday and as we swam in the hotel pool, we both got much the same idea at the same time. Being pretty curvy, I'm quite good at floating and Tara reckoned we could try a stand-up fuck with the water taking my weight.

Waiting was the worst part – even after the pool lights were switched off, we thought we'd better leave it a couple of hours before sneaking in. Now safely in the pool-room, we shrugged off our

bathrobes – I was starkers under mine, while Tara was wearing our favourite strap-on.

We jumped in the deep end, treading water – I just loved the cool swish of it against my pussy. We kissed, Tara's dildo brushing against my body and I asked her what we should do if we got caught. We could probably wing a bit of skinny dipping, but how she'd explain a big rubber cock sticking out of her crotch I wasn't sure!

This spurred us on a bit – we moved up to the shallow end till Tara was in

She said I was a lezzie slut!

neck-deep. She kissed me and felt up my very floaty tits, then gave my cunt a bit of a tickle too. I was quite juicy down there, but she'd lubed the dildo with petroleum jelly in case.

Arms round her neck, I put one leg round her waist, giving her enough access to penetrate my pussy. The dildo felt really snug in me, and now I clasped both legs around her, taking the entire length of it. In fact I was taking it so deep, I could feel her full-bushed pussy

brushing up against my shaved one.

Moving position so that my tits now floated on the surface, she bowed her head to suck on them. All the while she was shagging me with the strapon, the grease on it a bit sticky as well as slippery, which just made it feel even better. I had her by the shoulders, fucking back onto it just as hard.

The grinding would make my job easier once we got back to her room.

As she pulled out, I felt a cool, refreshing rush of water into my hot snatch. We had another bit of a swim, then nipped back to our room after thinking we heard someone walking by, a bit too close for comfort.

We had a brilliant holiday and saw loads of great places, but the best part was our pool fuck-session!

Sue, Manchester. 📧

"I said that I fantasised about going to a wedding and shagging the groom and best man together!" recalls luscious Londoner Suzy (43).

"I'm still waiting for the right event but I've got an invitation of my own to randy Escort readers. I've always wanted to be double-teamed by some dirty blokes, getting fucked frantically in the pussy while I try and keep another big cock in my mouth, until both of you spurt at the same time and fill me to the brim.

"So if you've got a mate who fancies a piece of me, why don't the pair of you get in touch – literally!"

43-year-old Suzy scrubbed up nicely at our pro shoot. "It was great fun – I've never felt so horny. As my hubby found out!"

An ideal woman

The other week at a party I ended up going home with a couple. Stephan said Bridget just liked to watch other girls get fucked.

So Bridget left the room, to give us a bit of privacy to start off with, but Stephan was obviously taking it slow, so she wouldn't miss any of the really horny action!

He'd barely got around to getting my tits out of my bra when she came back in

My juices frothed with the fucking

split-crotch knickers, stilettos and using a vibrator. I love to play with my own toys so I watched her with pleasure.

Stephan would fuck me, then slow down and look at what she was doing. One time she pumped the vibe in and out of herself really hard, then pulled it out, dripping, and told me to get sucking.

She let me lap from the toy a couple more times, then

asked did I just want to eat more out of her. I told her yes – I was really getting into this now. Which is how she ended up straddling my face writhing on my tongue.

Meanwhile Stephan was in tit heaven, groping my boobs as he sucked on hers. To say nothing of having his cock buried in my tight cunt.

Stephan was only human – so I soon felt his spunk

Bed head

Newly single, I want to tell you about my random fuck Jack on my new kingsize bed.

Funnily enough, 40-something Jack delivered the bed.

And he bet I wouldn't have it all to myself for long, with a wink.

He looked a bit awkward, realising the comment was

probably out of order, but once I started snogging him, he got right into it, sucking my tongue into his mouth and rasping his against it. I rubbed my body up against his, moaning as his hands found my hips, then felt their way up to my tits.

He squeezed them, rubbing the nipples as I undid my top and pulled them out of my bra, then he bowed his head

and sucked on them in turn. I splayed my legs, wrapping them round his thigh and humping myself against it.

He fondled me through my knickers first, then slipped inside them. My slit was so lubed with my juices, his fingers shot right inside my hole the second he touched it.

I tightened around them, pulling them in as deep as I could. I started

scrabbling at his flies, hands shaking slightly, but he let me take my time, unbutton and unzip him, then let his meaty prick swell up in my hand.

If my pussy could have screamed for a shag it would have, so I stripped and rolled over on my back, legs spread in the ultimate invitation.

He spread my legs then guided his dick into me,

I was soon boiling on the point of orgasm

kneeling between my thighs at first then getting on top to do me deep, missionary style.

Between us, we managed to tilt my hips so his crotch caught my clit as he stroked

in and out, and all the thrusting and stirring soon had me boiling on the point of an orgasm.

That's when he started giving my tits a bit of attention

exploding inside me. Bridget licked her lips when she saw his wet cock retract and she stuck her head in between my thighs, feasting on our fuck-juices.

They were all frothy from the friction of our shagging, and she ended up with a cummy foam all round her mouth and down her chin.

Then she used the vibrator on me, fucking me hard till my head arched back.

I bunched three fingers up and used them to fuck her hole, while the other hand played with her clit. And I didn't stop using my mouth on her – I gave her crack a licking.

I got my mouth on her pussy and heard her tell me I was gonna cum too, then she licked me and vibed my clit.

It hit us at pretty much the same time, and I felt like I was going to pass out, it was so powerful.

Bridget came hard too, but she was the first to recover – I watched, still a bit dazed as she mounted Stephan's hard on, riding him slow as he enjoyed a mouthful of tit.

They knew exactly how to get each other off, so I just grabbed the vibrator and told them I liked to watch, too.

Even though I'd only just realised I did!
Mikki, Rotherham.

again, sucking one and teasing the other with his fingers. I felt myself clamp tight around his shaft, then pulse in climax.

He fucked me slow until I couldn't cum any more, and then I just lay back, all hot and tender, as he took care of himself.

I wanted him to cum in me, but he didn't want us leaving a wet patch on my brand new bed!

I told him he could squirt

all over my tits and belly instead.

He had a big pair of balls on him, and his spunk came out like it would never stop. When he finally did finish – with a little help from my hand – my boobs and stomach were one big mess of sticky splatters.

I haven't seen him again since then. I've got a new bloke now who doesn't mind where he cums!

Toni, by email.

Back up

When I had to walk my mate's ex Hayley home, supposedly as a friend, the kiss she gave me was over-friendly – wet and sloppy with loads of tongue.

Less than half an hour later, I was nuts-deep inside her in her stockings, ploughing away.

I'd been building up to it all night, so I doubt I lasted five minutes. Then, while we were lying there, my fingers up her snatch, all she did was diss her ex, saying how he hadn't given a shit if she'd orgasmed.

Then she started on about how he always wanted to do her up the arse.

"I'd like to think he'd be seriously pissed off if I let you do me up there..." she said.

Soon I had her on all fours, with her cheeks spread wide and her arsehole well lubed up.

As I touched my prick up

CONTACT ME

Again, this wasn't going to be the longest fuck. I managed to hold back until she'd finished cumming, but the second I lost my focus, felt the spunk surge in my nuts, I was finished.

My prick was throbbing and as the first jet shot out, it just kept coming in big, hot pulses. Hayley felt it too, and

She dissed her ex with my fingers up

to it, she opened right up to take it. I watched and felt my bulbous cock head penetrate her, smoothly followed by my shaft, all the way in.

She told me to stay deep at first, to grind my crotch in a circle as she fingered her clit the opposite way.

Her cheeks were splayed just from my thrusts and as she came, almost instantly, my bollocks twitched against her lips.

moaned out loud, tightening her arse around my prick, holding the spunk inside it. Of course, as I finally pulled out of her, it gushed all over my balls.

Some people reckon a mate's ex should be off limits. I reckon my friend should be kicking himself.

Any time she wants to sit on my prick in stockings and susses, I'm up for it!

Rob, Nottingham.
